VISION 2020 ENVIRONMENT TASK GROUP
 April 23, 2013 MEETING (Approved 6/24/13)

RESERVOIR COMMITTEE
 Town Hall Annex, First Floor

In attendance: Lisa Fredman, Cathy Garnett, Jane Howard, Elizabeth Karpati, Ann LeRoyer, David White. Facilitator: David White. Minutes: Elizabeth Karpati

2013 meetings: 7:30 p.m. (fourth) Tuesdays, May 28, June 25, July 23, August 27, September 24, October 22, November 26. Town Hall Annex, First Floor Conference Room.

Minutes: The minutes of the previous meeting were accepted with corrections for the dates for the September and November 2013 meetings.

Workdays: The first one was held last Saturday and included clean-up and weeding. Two people who had signed up at the EcoFest participated. Since Saturdays are a problem for some people and Sundays for others, we decided to alternate: the next two workdays will be Sat. May 18 and Sun. June 16. See below for the overall schedule.

To-do list: We also decided that we should make such a list before each workday so that anyone who wants to help but cannot make it on that day can do some of the work on his/her own. Removal of Japanese knotweed from the "island" near the parking lot should be included on the next list.

Expenditures: We approved:

- a) Up to \$200 for new plants for the shady side, which looks a little thin.
- b) Up to \$100 for fencing materials.
- c) Up to \$100 for materials to repair the kiosk.

Woodchipping on the path around the Res: We need to enlist the help of the high school and ask DPW for chips.

Path edgings in the garden: We used the stones we found, many hardly larger than pebbles. Martine will ask if DPW can supply any that are a little larger. Lisa can contribute about 8 or 10.
